It is clarified that for this initiative:

the request for sponsorship has also been made to the following entities:

.....

.....

.....

the sponsorship of the European Association of the Vie Francigene has already been obtained on previous occasions:

.....

.....

It is stated that the initiative is exempt of commercial aims or for commercial gain.

To be attached to the present:

- a list of the promotional material which will be produced
- drafts (if already available) of the material referred to in the previous point

- copy of identification documents of the undersigned

I, the undersigned

- declare that the statute of the subject application or other similar act is not contrary to the fundamental principles of the Constitution, of the law, of public order and of the municipal statutes;
- confirm, aware of the criminal liability in the event of the declaration of misleading information in accordance with article 76 of the DPR 445/2000, the veracity of the above indicated in the present application and in its annexes thereto;
- declare to be conscious of the conditions that regulate the concession of the sponsorship reported in the “organisational criteria for the granting of sponsorship” that hereby are fully accepted;
- lastly, declare to be conscious that the possible granting of sponsorship will not involve the contribution of any additional authorisations (e.g. occupation of public property) or license, for which the attainment will have to be activated at the relevant offices.

For additional information on the initiative it is possible to contact the representative

Mr./Ms. tel email

Note: We inform that the signing of the present document authorises the EAVF to provide contacts and references of the event in in question to expert partners for the formulation of commercial proposals on the question of official EAVF memorabilia.
